April 29, 2019

Dear Vendor,

If you are a returning vendor, welcome back to one of the best car shows in the Pacific Northwest. You may notice a few changes in our formatting. This is due to our club's decision to renovate old outdated forms, and business practices, while introducing new forms as well as some new ideas we feel will serve to promote and support your booth while on site. We hope these new forms are not too confusing, and if you have questions, please feel free to call or write us at any time.

We know that many of you are returning vendors and we thank you for your support. As you are returning vendors, should you have a favorite location and/or special needs at your location, please be sure to list that on your application and we will do our best to see that you are accommodated.

For new clients, the Beach Barons Car Club® welcomes your business and support. As stated above, our club puts on one of the biggest and best car shows in the Pacific Northwest. We average 850 cars on the field (Not counting club and "special interest cars") thereby drawing thousands of spectators from all over the country. As with the returning vendors, we ask you to complete all forms and return them as soon as possible, with a copy of your insurance and the fee, so that we can lay out Vendor's Row and to assure you get the space you desire.

Looking forward to seeing you at this year's Rod Run to the End of the World®.

Sincerely,

Joseph S. Natoli, President

Beach Barons Car Club®
